

Gowns and Gloves GALA

NOVEMBER 3, 2018

AN EVENING IN SUPPORT OF GOLD STANDARD PATIENT CARE

Thank you for your interest in sponsorship opportunities,

On November 3, 2018, Royal Victoria Regional Health Centre will hold its inaugural Gowns and Gloves Gala to raise funds for vital health care programs that serve patients and families across the region including the Simcoe Muskoka Regional Cancer Centre, the Simcoe Muskoka Regional Heart Program and the Simcoe Muskoka Regional Child and Youth Mental Health Program.

RVH will welcome hundreds of guests to partake in a spectacular evening being held at Casino Rama Resort. The night will feature a cocktail reception at 6 p.m., followed by a gourmet dinner served at 7 p.m. Attendees will be encouraged to participate in both the silent and live auction throughout the course of the evening displaying many compelling items to bid on.

Live entertainment will feature the Montreal Rhapsody Orchestra recognized as one of the most successful, dynamic, and unique entertainment groups in Canada. The Montreal Rhapsody Orchestra features a world class string and brass section, as well as seasoned musicians. This trio of gifted vocalists will have the crowd dancing for hours to classic rock, pop, and disco music of the last 50 years.

Funds raised at the gala will have a direct positive impact on the care received by those who wear the gowns (more than 148,750 patients at RVH each year) and support those who wear the gloves (health care providers).

RVH is located in Barrie, as the largest health centre in Simcoe Muskoka, RVH provides highly specialized services, procedures and technology not found anywhere else in the region. RVH services includes the only Interventional Radiology suites for minimally invasive surgeries, a fully-automated laboratory, cardiac intervention unit, as well as dedicated trauma rooms in its large Emergency department.

We respectfully invite you to support this event and our patients by becoming a sponsor. With your support, RVH will continue offering gold standard patient care.
