201 Georgian Drive, Barrie, ON L4M 6M2 Foundation staff member

Please return your completed form by mail or call:

I understand that in donating to the Little Wonders program, a special flower petal or butterfly with the name and birthdate of my baby will be displayed on the Little Wonders wall at Royal Victoria Regional Health Centre. I also understand that a certificate will be mailed to me and a photo of my baby's flower petal or butterfly will be emailed to me once it is on the wall.

Royal Victoria Regional Health Centre respects your privacy. We protect your personal information and adhere to all legislative requirements with respect to protecting privacy. We do not rent, sell or trade our mailing lists. If at any time you wish to be removed from our contact list, simply call us at 705-739-5600.

# Little Wonders

**Celebrate the wonderful gift of your baby with a tribute on our Little Wonders Wall.**

**Little Wonders Program  
Sponsored by:**

**Royal Victoria  
Regional Health Centre  
FOUNDATION**

**Congratulations** on the birth of your baby at Royal Victoria Regional Health Centre! It is such a wondrous occasion, and each time you look into your baby's eyes, or stroke their little feet, you are filled with a sense of overwhelming joy.

To celebrate the birth of each baby born at our Health Centre, chimes are rung and can be heard throughout the hospital when appropriate to celebrate – a reminder for all that our skilled healthcare team has brought another precious life into the world.

The Little Wonders program is another way to honour this special day with a tribute to your little bundle of joy. Little Wonders offers you the opportunity to have your baby's name and birthdate engraved onto a flower petal, while at the same time making a meaningful contribution to the Obstetrics and Neonatal Intensive Care Unit at RVH.

A certificate is mailed to your home as a keepsake of your baby's birth. A photo of your baby's flower will also be emailed to you once it has been added to our Little Wonders Wall. This makes a lovely memento of your baby's special day and is an ideal gift from parents, grandparents, relatives, and friends.

*The littlest feet make the biggest footprints in our hearts.*

*-Anonymous*

**The Little Wonders program helps fund the vital care and equipment which is needed to deliver approximately 2,100 babies into the world each year at Royal Victoria Regional Health Centre.**

**Tools such as isolettes, bassinets, infant care stations, and phototherapy equipment are just a few of the essential items that your gift will support; ensuring that even the tiniest patient is able to receive the specialized care that he or she needs from our Obstetrics and NICU teams.**

**While you see mainly flowers on the wall, which mark the birth of a baby, there is also the opportunity to have a memorial butterfly placed on the wall, engraved with your baby's name, and if you desire, their birthday. Your butterfly will be placed up in the sky – soaring as it should be, as a tribute to your baby.**

***If you are interested in learning more about Little Wonders, or to purchase a memorial butterfly, please contact Foundation staff at 705-739-5600 or visit [foundation.rvh.on.ca](http://foundation.rvh.on.ca).***
